Rafael Garcia

Footwear & Graphic Designer

Footwear Designer seeking to push the possibilities of sports and culture with a team full of mentorship.

Footwear Design Experience

Jr. Footwear Designer - Charly USA

Feb. 2022
Present

- Designed new indoor soccer shoe and runner upper for SU 23
- C&M/Merchandise Men's/Boy's collection for SU 23 and A/W 23
- Create tech packs from scratch for new footwear and tooling silhouettes
- Revise 1st round pullovers with updated specs through tape ups and 2D technical drawings
- Constantly researching sport & culture to design new and better performing products

Pensole Design Academy

Jan. 2020
Nov. 2021

- New Balance D.W.S Program (2021)**
- Lead our team to design a "Made Here" collection that reflects Detroit, MI manufacturing history. As a team, we collaborated to create an outstanding Marketing, Footwear, Apparel, and C&M project. Three people out of our six person team won awards for their work.
- Allbirds B.R.D Program (2021)**
- Explored the "Lifecycle Assesment" to discover a solution that decreases the carbon footprint from manufacturing through a traditional hands on experience
- New Balance F.F.F Program (2020)**
- Designed a minimal runner for fast pace life occasions in Brooklyn, NY

Footwear Design Intern - Supra Footwear Co.

Apr. 2018
Dec. 2018

- Produced seasonal color palette and trend boards to guide design direction
- Designed seasonal color way's and sourced materials for Crown and Kids line
- Execute detailed tech packs for seasonal product: Footwear, T-Shirts, and Accessories
- Developed/designed quick to market products for special projects: Team Rider colorways, DTC, and Collaborations
- Initiated seasonal VLPs and overviews to present to sales meetings and departments throughout the office

Graphic Design Experience

Freelance Graphic Design Assistant - Teddy Fresh

Jun. 2021
Jun. 2021

- Update art for screen-print and embroidery
- Re-design Hila Klein's drawings into vector art for production
- Generate tech packs for print-ables and accessories
- Re-color graphics for production

CAD Artist - Hybrid Apparel

Apr. 2019
Aug. 2019

- Composed F/W 2020 seasonal color palette and trend board to guide design direction for Caliville and JunkFood
- Generated F/W 2020 seasonal plaids for Levi Strauss & Co. and JunkFood accounts
- Designed new varsity jacket body for Caliville F/W 2020 Account
- Renovated tech packs for "Branded" accounts: Knits, Print-ables, & Wovens
- Refreshed seasonal VLPs, buy plan's and overview's to present to sale's meetings, departments throughout the office, and retailer accounts
